

**Lone Peak High School
Secondary Math Wallace
Credit Remediation Contract
Mr. Wallace, Room 905**

By failing one or more of your math courses you have not been awarded credit for that term and may be deficient in math credit requirements for graduation from high school. You will meet regularly with the credit remediation teacher to discuss your progress and goals in working toward your credit recovery.

Student Name Name Grade 10th Date Date

Course Instructor: Mr. Wallace Course Secondary Math Term/year Date

In order to receive credit for this class you will need to demonstrate mastery of the following walk-aways:

1. Show Competency in (area of math that was failed)
2. --
