

Secondary I Math, 2019-20: 1st Term (Subject to Change)

| Date (A/B) | Title of Task/Unit | Objective | Assignment | Standard |
|-------------------|--|--|--|-----------------|
| Aug 21 | Read and Highlight Disclosure Introduce ALEKS.com | Disclosure Document | Get Dis Doc Signed ALEKS.com Grant Doc Signed Pre Sec 1 Test | |
| 23 | Unit 1.1 – Order of Operations | I can use the Order of Operations to solve for a missing value or simplify and Expression | HW 1.1 – Order of Operations | |
| 27 | Unit 1.2 –Combine Like Terms | I can Combine Like Terms in order to solve for a missing value or simplify an expression | WS 1.2 – Combine Like Terms. | |
| 29 | Unit 1.3 - Algebraic Expressions | I can define and Algebraic Expression | HW 1.3 –Algebraic Expressions | |
| Sept 3 | Unit 1.4 – Evaluate an Algebraic Expression. | I can Evaluate an Algebraic Expression given a specific value for a variable. | WS 1.4 –Evaluate an Algebraic Expression. | |
| 5 | Unit 1.5 – Multi-step equations | I can solve a Multi-Step equations for a single Variable. | WS 1.5 – Multi-step equations | |
| 9 | Unit 1.6 – Literal Equations | I can solve a for a single Variable given a Literal Equations | WS 1.6 – Literal Equations | |
| 11 | Basics of Algebra Review | Basics of Algebra Review | WS Unit 1 Review Basics of Algebra Review | |
| 13 | Basics of Algebra Test | Basics of Algebra Test | Basics of Algebra Test | |
| 17 | Unit 2.1. – Types of Angles | I can define types of angles | WS T1.09 – Types of Angles | |
| 19 | Unit 2.2 – Basics of Geometry | I can review the basic terms of Geometry | WS T1.10 – Basics of Geometry | |
| 23 | Unit 2.3– Points, Lines and Planes | I can define the difference of Points, Lines, and Planes in Geometry | WS T1.11 – Points, Lines and Planes | |
| 25 | Unit 2.4 – Segment and Angle Measurement | I can set and solve for segment lengths and angle measures. | WS T1.12 – Segment and Angle Measurement | |
| 27 | Unit 2.5 – Angle Relationships | I can define angle relationships Using Angle Relations I can find the missing value and angle measure using with equations.. | WS T1.13 – Angle Relationships WS T1.14 – Angle Relationships with Equations | |
| Oct 1 | Basics of Geometry Review | Basics of Geometry Review | WS Unit 2 Review Basics of Geometry Review | |
| 3 | Basics of Geometry Test | Basics of Geometry Review | Basics of Geometry Review | |
| 7 | Unit 3.1 – Angles & Transversals | I can define the relationship of angles created by a transversal line and two other lines | WS T1.16 – Angles & Transversals | |
| 9 | Unit 3.2 – Parallel Lines | I can define the relationship of angles created by a transversal line and two Parallel Lines | WS T1.17 – Parallel Lines | |
| 11 | First Term Review | First Term Review | First Term Review | |
| 15 Term End | First Term Final | First Term Final | First Term Final | |
