

Name: _____ Period: _____

Secondary I: Unit 1 – Basics of Algebra

One goal I would like to set for this unit is: _____

What are three specific things I need to do in order to reach this goal?	Did I do it?
1.	
2.	
3.	

My homework Completions for this unit:

Unit 1 – Day1	Unit 1 – Day2	Unit 1 – Day3	Unit 1 – Day4	Unit 1 – Day5	Unit 1 – Day6

How well do I understand Unit 1 – Basics of Algebra

- 4 I understand completely. I can do homework without help. I could teach it to another student.
 3 I understand what is important. I can do the homework if I look at my notes.
 2 I am beginning to understand. This makes sense in class but I struggle on my own.
 1 I saw this in class or I was absent but got the notes from someone else or from online
 0 I did nothing to learn this standard.

Date	Lesson	Objectives	My Rating				
Aug 21	Read and Highlight Disclosure Aleks Pre-Test	Disclosure Document Introduce ALEKS.com Pre-Test	4	3	2	1	0
23	Unit 1.1 – Order of Operations	I can use the Order of Operations to solve for a missing value or simplify and Expression	4	3	2	1	0
27	Unit 1.2 –Combine Like Terms	I can Combine Like Terms in order to solve for a missing value or simplify an expression	4	3	2	1	0
29	Unit 1.3 - Algebraic Expressions	I can define and Algebraic Expression Unit 1, Quiz #1	4	3	2	1	0
Sept 3	Unit 1.4 – Evaluate an Algebraic Expression.	I can Evaluate an Algebraic Expression given a specific value for a variable.	4	3	2	1	0
5	Unit 1.5 – Multi-step equations	I can solve Multi-Step Equations for a single Variable.	4	3	2	1	0
9	Unit 1.6 – Literal Equations	I can solve a for a single Variable given a Literal Equations
